## LITTLE LEAGUE GAME AT LATHLAIN PARK

### Perth Demons v South Fremantle Bulldogs

What a day for BJFC. We were lucky enough to be asked to supply two teams to play the halftime little league game at Lathlain Park on Saturday. The contest was fierce with great skills put on display for Perth Demons crowd and for a short 10 min game the kids piled on 10 goals between the two sides.

Well done to all the kids and parents you did BJFC proud.

Regards, Jeff Mullen  
President BJFC

After a successful first week, the second week of Auskick started off well with another 2 children joining up which is awesome. At the game on Sunday we had 21 children participating and having fun. Boston and Max were the lucky recipients of the encouragement awards for week 1 and after another awesome game by the kids where they all seemed to be starting to get the hang of the game and skills Archer and Mya were the two lucky recipients for the encouragement awards. Would like to thank the parents for their continuous help around game days and especially during the week at training when both coaches were unable to make it.

## YEAR 1'S

Coach: **Ben Olive**

Round 2 saw 28 kids participate across two fields and included a few new faces who have recently joined the group – welcome to new players and parents.

This week's games were again played in great spirit and it was fantastic to see everyone enjoying themselves. Some clear progress was noted from Round 1 with players more confident using their voices, moving around their zones and working with their teammates to kick and handball the ball forward.

James, Cooper, Ethan and Finn received Coaches Awards for their effort on the day and all players should be congratulated on their teamwork and spirit. The player-led team song was also a highlight.

Thanks also again to the parents/families/friends who continue to provide fantastic support to the players and program.

## YEAR 2'S

Coach: **Peter Hartley**  
Assistant Coach **Ryan**  
Manager: **Kelli Dalton**

A great game of football on a glorious May morning. The Year 2's are making great choices on field, sharing the load with lots of handballs and straight kicks. Well done kids, your teamwork is impressive. Congratulations to Harper & Dylan for receiving awards. **Kelli**

### TEAM RED

The running session we had during the week was just the ticket to get out Yr3 Red team up and firing this week with a much improved performance. Our defending was terrific with everyone remembering to pick up a man when the opposition were in possession and to kick long down the middle of the ground when in attack if they can't find an open option. A big thank you to those who volunteered to play for Vic Park who were short on the day, you are all stand out ambassadors for our Club. Thanks, Jason

### TEAM BLACK

The boys in Year3 Black were taught a lesson in how to move the ball fast and efficiently this week by South Perth. The opposition kept us out of our end of the paddock for the majority of the game, but our boys did not give up and fought on as a team right till the end. Although we were beaten we did not lose and could still leave the field being proud of their effort. Best on ground this week goes to Albion Woods who showed an awesome amount of determination when attacking the ball, well done Albion. Special thanks goes out to Henry Ficko for making the effort to show up for his team even though he was unwell and had to retire, thanks Henry.

### TEAM RED

The kids took on South Perth Black at Ernest oval this week. They showed fantastic team work; dominating the first half of the game, to finish the second quarter with a 15 point lead. However, the third quarter seen the home team close the gap in an absolutely heart racing quarter to only 2 points. Some words of wisdom and encouragement from the coach pulled the team together to see them finish the game with a ripper fourth quarter and take home the win by 27 points. Final scores South Perth 5 goals and 3 behinds Belmont 9 goals and 6 behinds. Our goal kickers this week included: Tyson E - 3, Flynn P - 2, William T - 2, Jesse B and Luke S - 1 each fantastic work boys, it just goes to show how far you can go when you work together as a team and put into play coaches advice.

Special mention for our players of the week Heidi and William amazing effort from both through out the whole game showing fantastic dedication to their team, congratulations! A fantastic game to watch, well done on an amazing effort everyone!

Coach: **Mick Stirling** | Manager: **Lee Temo**

### TEAM BLACK

The boys travelled out to south Perth this week to take on the stingrays. It was a very tight contest from the start with the boys tackling and endeavour very pleasing. The stingray were a little bit cleaner up forward and won by a couple of goals, our boys can be proud of their efforts as we were short on numbers and it was quite warm. Mick and lee

## YEAR 5'S

Coach: **Rob Sant**  
Assistant Coach: **Steve Temby**

The Belmont fives played a prevailing game against Vic Park Gold on Saturday.

The Players fitness and condition stood up well in weather conditions that would leave you wondering if "winter is coming" (pardon the game of thrones reference).

Being just the second game of the season it's great to see the players already bringing together the band of football we've been working on.

Congratulation Boys on the win. Captain was Logan.

Thank you to Steve and Mark for once again running a fair and well organised bench rotation. The thanks also goes to our goal keepers, orange people, jumper washers and parents for being supportive and punctual.

**Thanks, Rob**

## YEAR 7'S

A bright sunny warm morning saw the team produce some of the form which saw them successful in year 6.

Under newly elected captain Dion, we saw a strong 4 quarter effort by the team which including keeping Maddington scoreless in 2 quarters, with a good win 15.12 to 1.3. This included 8 points in the last quarter.

A good spread of goalscorers was seen lead by Declan with 4 goals, Chris, Ramon and Will got 2 goals each and one goal apiece to Kyan, Leo, Vinnie, Dalton and Choppie.

A new ruckman was unearthed by first gamer Kalem, which covered for the loss on Nicholas who has to leave game early with an injury. The back line held up strongly lead by Dalton and Jesse along with Andrew and Harry. Jhy, Sam and Kyle provided good run and ball movement through the middle which made the forwards job a lot easier.

Also the performance was well disciplined, playing the ball and tackling fairly. Next week another performance like this will be required as we play Thornlie Gold at home.

## YEAR 6'S

Coach: **Paul McGarth**  
Assistant Coach: **Jeff Mullen**

Well done to the Year 6's on their second game for the season, there was so much more improvement in all areas of the game and as an enthusiastic team.

Our kicking, marking and handball skills have improved. I really liked the way we were looking at moving the ball quickly to a team mate and running past for quick hands; the pressure put on the opposition team was excellent.

As I have said to the players, take one step at a time, you will all notice that they eventually will come together as one large part of football.

Tunnel Vision, is still a huge part of our game - move your heads from left to right to see if there is an opportunity to move the ball. Your team mates demand the ball so the focus is on moving the ball in your direction.

Communication during the game is one major aspect, help each other by calling for the ball and communicating with your team mates.

If I had to pick a best player for this game, I'd pick the whole team. You all played as an entire team and it was amazing to see you all helping each other out where it was needed.

Again, thank you to everyone for your support and help before and throughout the game, it really does take a team on and off the field to support our year 6's. See you all at training this week.

## YEAR 8'S

Coach: **Darren Byng**  
Assistant Coach: **Ian McPherson**

This week our opponent Midvale unfortunately had to forfeit through not having enough players at the ground on time. We went ahead with a game anyway loaning them some players each quarter and to our kids credit we came away with a win. We had a few players who gave 100% effort for 4 quarters and set a great example for their team mates to follow. Hopefully in the coming weeks we will have a more even effort from all players. We also saw some improved ball movement this week and need to keep working hard at second and third efforts especially in the forward line to lock the ball in for longer periods of time. A big thanks to those players who helped the opposition so we could have a match, great to see you fight as hard for the ball when playing for the opposition. We still have a lot of areas to improve so let's work hard on the track again this week.

**Darren & Ian**

Thursday night is PIZZA night!

\$2.50 per slice. Available from 5pm onwards.

## YEAR 11'S

Coach: **Brad**  
Assistant Coach: **John Ottoway**

A really hard fought win against a very physical opponent which has given us a good start to the year with two wins in a very even competition where we must be switched on at all times.

Set up by a fantastic start to the game with a six goal to none first quarter our midfield dominated early with some exceptional football whilst the backline played its usual four quarter performance in an awesome display.

There are still a few things to work on in the coming weeks as we still need to improve. **Brad, John, Karen & Charles.**
