

BELMONT JUNIOR FOOTBALL CLUB

MATCH REPORT

ROUND

6

GAMES PLAYED

Sat 3 and
Sun 4 June

2017

Once again the Belmont Junior Football Club flew it's colours loud and proud on Saturdays parade day held at Lathlain oval.

There was so much energy oozing from the kids that it couldn't be contained, so it spilled out on to the field in a loud and proud march that won 10 footballs for the most colourful club of the day!

Thank you to all the parents, kids, coaches and committee members that put it together and came down to represent the club on such a fine day.

All players that attended parade day have been entered into a club prize draw that will be drawn on Thursday 8th June.

Another great team effort from the Yr3 Red Group with some exemplary passages of play, both in defence and attack which more often than not, resulted in a great team goal. A big thank you to Callan who volunteered to play for the opposition, another fantastic example of the sportsmanship our Team displays each and every week. Well done to everyone and keep up the sensational work. Thanks to Mick the Yr3 Black Team Coach as well for helping to improve our skill set each week at training

The Year 4 Read kids took on Manning away this week, putting in huge effort. Taking a small lead early on in the game, we managed to hold the lead for the first and second quarter against tough opponents. However, the third quarter seen Manning get three goals and take the lead. Our kids played extremely well showing great defence which only allowed Manning to get 1 more goal in the final quarter. The game ended with Manning taking the win by 16 points, in a fantastic game to watch. Great work Belmont Bombers fantastic effort!

Coach: **Mick Stirling** | Manager: **Lee Temo**

YEAR 5'S

Coach: **Rob Sant**
Assistant Coach: **Steve Temby**

Well done to the Belmont Fivers, it was a tough game taking on Manning in some miserable conditions on Saturday. A slippery ball made it difficult for you to take marks and get your hands firmly on it to run the brand of footy we play. It was pleasing to see the training drills and techniques put into action as now you are beginning to understand the type of footy we are achieving to play, this understanding in-turn lifts your communication and leadership which has been increasing every game..... They're good signs.

Thank you to all the people who helped and encouraged the boy's along, not forgetting the orange people.

I also want to thank the parents and kids that came down to parade day to represent the year fives. There were 10 of us there that helped the BJFC tke out the most colourful team. All that showed have been entered into the prize draws. See you all at training.
Rob

YEAR 6'S

Coach: **Paul McGarth**
Assistant Coach: **Jeff Mullen**
Manager: **Leanne Taylor**

We played South Perth Green... a great day for football, to go with it the first half was good football from both teams. There was great pressure tackling from both teams the standard of ball work was good.

The difference in our game was we were flat footed in moving quickly compared to South Perth, and it's funny a lot of AFL teams find the same problem playing constantly good football each week, we have that small problem of playing well each week and game. That again is the development side of football its having the confidence and knowing you play at a good level each week not 1 good game 1 bad game...its all apart of learning guys in playing AFL or any sport.

Congratulations all of you for fighting it out to the end, you certainly don't give up which is again part of your football development.

And again thank you to the helpers on game day and to the parents coming to support the group each game. Lardy.

**A reminder from the Treasurer that fees are
OVERDUE please pay ASAP.**

You can pay by card or cash at Training on Thursdays & game days or direct to our account;

Please put child's name and year as reference

YEAR 7'S

Coach: **Trent McDougall**
Assistant Coach: **Garry Clegg**
Manager: **Andrea Primerano**

Away to Gosnells

After a good week on the training track, according to coach Trent, we were up against Gosnells who had a similar record as Belmont so far this season. Training was also assisted with Brett also helping out to ensure the boys stayed focused.

This was confirmed with the first quarter being scoreless for both teams. With Belmont missing a few playing due to injury, sickness and unavailability with had the base team numbers of 15 which including new player Siya. The 2nd quarter came to life with two goals from Will to give us a 2 to 1 lead at the half time break.

The 3rd quarter saw Gosnells gain a one goal break before the final break, however a further 4 goals from Will and a dominating last quarter performance by the team saw Belmont run out winners 6.2 to 4 goals. Regular top performers Dalton and Jhy, along with Dion and Kyan also playing well. Will also scored all of our goals which was a top effort.

Back at home this week against one of the Manning teams. Lets hope we can hold more of our marks and tackles as this will be a tougher game against one of the top teams.

YEAR 8'S

Coach: **Darren Byng**
Assistant Coach: **Ian McPherson**

YEAR 11'S

Coach: **Brad**
Assistant Coach: **John Ottoway**
Manager: **Karen Thomas**

Friday nights top of the table clash saw an extraordinary after the siren loss in a high quality game

A terrible start where we played lazy football and trailed by four goals at the first change we defiantly didn't turn up to play, to the boys credit and with a limited list the last three quarters were inspirational and as a coach I couldn't have been more satisfied with the group and the real winners were the boys the BJFC and anyone that witnessed the game

Brad, John, Karen, Charles

Toyota Raffle books

– please return books as soon as sold. If you can't sell the whole book please return to your team manager who will give it to someone else on the team.
