27 kids participated in this week's matches.

The games were again played in great spirit and the teamwork from all kids continues to impress. Similarly, some great football skills were on display with the ball moving quicker each week and some outstanding goals kicked. The friendships and confidence amongst the group continues to grow and it was great to see so many smiles again throughout the morning.

Coaches Awards went to Zac, Corey, Harrison, Charlie and Fraser for their outstanding efforts on the day. Thanks also to Luke for stepping up to umpire and to everyone for your ongoing support.

Home vs Manning Gold

This week we were playing Manning who were equal top. We had a full squad with the exception of Jesse who was away playing baseball in Queensland.

The game was a very tight affair with defences of both teams dominating. At half time we were leading 3 points to one points. One of the highlights was a great tackle from Kyle who covered a lot of ground to tackle a Manning player who was running the ball up the boundary towards their forward line.

The 2nd half finally saw some goals with Manning making use of the wind and kicking 2 goals in the 3rd quarter to take a 11 point lead into the final break. This was quickly reversed when Belmont with the slight breeze regained the lead with goals from Declan and Nick. However our dominance of the quarter did not result in any more goals and for the second time this season the game was lost the a goal in the last minute.

Although we lost the team showed it can match it with the teams at the top and with improvement in the second half of the season can reverse these results if we meet them in the finals.

Next week away to Huntingdale at 9 o'clock

YEAR 11'S

Coach: **Brad**
 Assistant Coach: **John Ottoway**
 Manager: **Karen Thomas**

The game on Sunday produced some real positives, our pressure was great and we used the ball more sensibly and with more purpose scoring heavily although our accuracy was left wanting at times something that we will concentrate over the coming weeks

This week Mark Mogridge played his 50th game well done Mark! Brad, John, Karen and Charles

YEAR 3'S

Coach: **Jason Schmelzkopf**
 Manager: **Andrea Bellis**

Although we missed the mark in putting together a full four quarter performance, it was another great team effort led this week by our Captain Lachlan. With each hit out we're gaining the confidence to take on any opposition but still need to remember when we need to play man on man, our skills are good enough to do so and each player is up for the challenge!

On Saturday, the Bombers made the most of a clear, dry morning to play a solid four-quarter game against an under-manned Lynwood/Ferndale.

After a close game the previous week against Manning in the wet, the Bombers were able to play the kick-mark-kick-mark game that we have practiced at training. Precision kicking and high-pressure defence ensured that the Panthers could not gain any momentum.

Thanks to the sixteen Bombers players who volunteered to play a quarter for the Panthers. A special mention to Josh who managed to kick their only goal.

Thanks to all the parent volunteers on the day for helping everything to run so well.

This week we travel to Huntingdale to take on a highly rated opponent. But after Saturday we are gaining confidence that our best game for the season, so far, will happen soon. Goal Kickers: Cody (captain), Connor, Caleb F., Caleb H., Dom, Alex, Deacon, Koby, Jake.
