PRE PRIMARY

Assistant Coach: **David Rodman**
Manager: **Teagan Paravinici**

Sunday 23rd PrePrimary game this weekends awards were given to Levi, Archer and Donald. All our Auskickers played a great and impressive game in the rain but our game high lights would have to be Archer who kicked a whopping four goals well done, Levi for taking a very impressive and pretty big mark, and Donald who kicked a big goal to level the match right at the end. But all in all everyone played fantastic in the bad weather so well done girls and boys. Thank to the coaches Dave & Dan for the continued great work.

YEAR 2'S

Coach: **Peter Hartley**
Assistant Coach **Ryan**
Manager: **Kelli Dalton**

The year twos played in rain wet conditions on Sunday making it was a difficult day for sure ball handing. It was great to see how many players turned up given the forecast. All the players adapted really quickly and the ball moved freely and quickly between zones. Ethan Pepper won the award this week. Well done to Ethan he has been training well and his skills are improving each week.

YEAR 3'S

Coach: **Jason Schmelzkopf**

Manager: **Andrea Bellis**

TEAM RED

Tough conditions early, lead to a scrappy game of football for Yr3 Red which at times resembled a rugby scrum. Players must remember to keep their positions and to protect the ball carrier, in wet conditions especially, if we are to continue to be successful. Well done to everyone, especially the mums and dads who braved the wet weather to stand on the sidelines and support.

Coach: **Michael Tanner** | Assistant Coach: **Gwain Osbourne**

Manager: **Lorena Alfonsio-Tanner**

TEAM BLACK

Year 3 Black took on the Huntingdale blues this week a great game to watch with an even skill set on both sides. Our boys were a little off song this week but played well in the wet, first half of the match but after a full week back at school they dropped off in the second half. All in all still a good effort by the team best on ground this week goes to Damon Richards who had is best game by far this year, with running at and getting possession of the ball. And Leonardo Tanner for his outstanding defensive work in half back and attacking in half forward line covering plenty of the field. Well done boys!

TEAM RED

This week the Children played Kenwick Blue at home. A fantastic game from beginning to the very end, the Bombers dominated the game taking the win easily. Great team work from everyone ensured a easy win to the home team. Good to see some of our players happily fill in for the opposition. Who were short players this week. Well done and thank you to those children who did this, we know you are all very dedicated to your team and we admire that dedication. It's great that our children do fill in for the other team, this allow for those children who have come to play after all their hard training.

On Saturday, the Bombers hosted Thornlie Gold at Peet Park in slippery conditions.

The Bombers were slow to start, but were able to work back into the game to establish a small lead after a stronger effort during the third quarter. Wayward goal kicking allowed Thornlie back into the contest, but the Bombers held on to finish the game on top. Well done to Tyson, Deacon, Koby and Phoenix for leading the team back into the contest with tireless efforts to win the contested ball.

Thanks to all the parent volunteers on the day for helping everything to run so well.

This week we travel to Thornlie to take on Thornlie Green in our last away game for the season. Goal Kickers: Jake, Noah, Ethan and Phoenix

MATT 50 GAMES**

YEAR 8'S

Coach: **Darren Byng**
Ass Coach: **Ian McPherson**

Congratulations to Matt on playing his 50th game on Sunday against Ballajura and great to see the team put in a fantastic effort to help him celebrate it with a win. The game was very tight in the first half with both teams working hard for possession in the slippery conditions. In one of our best team performances for the year we gained the ascendancy in the second half by having the desire to work hard across the entire ground laying desperate tackles and smotherers to win the ball time after time and keep the opposition to no score. Very happy with the efforts of every player on the weekend and great to see the team gaining momentum. Looking forward to another good performance next week. Darren & Ian

YEAR 6'S

Coach: **Paul McGarth**
Assistant Coach: **Jeff Mullen**
Manager: **Leanne Taylor**

We played Queens park on Saturday and started off a bit slow in the first 5 minutes.

And then we woke up and just clicked. The exceptional team work shown and the way you played for each other, tackling and supporting each other as a team is really good to watch, some teams take years to play as a team, each week your getting better and better. Well done to the whole group. Lardy.
