Another excellent team effort this week from our Yr3 Red squad with multiple goal kickers and strong defensive work. Our guys and gal are really looking forward to closing the year out with a big finish over our traditional rivals Redcliffe, bring it on! A big thank you again to the parents and supporters who cheer us on to victory wax. And every week!

Saturday turned out to be a fine day for football.

Redcliffe came to our turf in the best form I've ever seen them. It showed by how hard we had to work to gain control of the ball from their relentless pressure in the early set of the game.

Smooth flowing play came on a little in the second quarter as we worked more as a team to build up our game brand. In the third and fourth quarter we were off dominating in our forward with the defensive structure keeping it there.

It was pleasing to see from a training perspective that what you've been learning this last month on smarter ball movement and creating opportunities is showing on the field, there were many brilliant passages of play that ended with a snap or set shot a goal.

Congratulations to the team and to Deacon as captain. Thank you to all the parents who contributed on Saturday.

Goal scorers: Joshua, Ethan, Koby, Cody, Riley, Deacon, Jake and Caleb.

No match report this week as we had the bye, however good turn out by the boys who were rewarded with pizza after training on Friday.

Many thanks to club sponsor and supporter Kassem Pizzas.

This week is our final H&A game away to Victoria Park, a chance to make up for our last minute loss in round one and to earn a top 3 spot to get the double chance in the finals.

We had another tough encounter this week against Midvale who proved to be a strong opponent who were prepared to run hard and used the ball well. After a lack lustre start by our team in the first quarter we the were able to defend well, however were unable to keep the ball in our forward line for extended periods and put scores on the board. The last couple of weeks have shown we need to be prepared to work harder to get numbers to the contested ball and also work hard to keep possession when we do win the ball. Looking forward to an improved effort this week across the ground. Thanks to the year 7 boys who helped us out again this week it is much appreciated.
