Sun 13 August  
2017

## YEAR 3'S

Coach: Jason Schmelzkopf  
Manager: Andrea Bellis

What a fantastic way to end the season with an exceptional team performance from our Yr3 Red Team. Our guys and gal really put together a tremendous full, four quarter effort against a side whom played an extra 2 players on the field for the entire game and still managed to keep them scoreless. Thanks to Andrea and Carley for seamlessly managing our team for the year, Ben for umpiring and Andy for stepping into the first aid role when requested. I hope everyone had as much fun as I did and we look forward to seeing you all again next year.

## YEAR 8'S

Coach: Darren  
Assistant Coach: Ian

Congratulations to Jade on playing her 50th game this week and we came away with a solid win to help celebrate. The win has seen us move into 8th place which means we will be playing in an Elimination Final this week against Kalamunda. We produced some good passages of link up play through the game although still need to be a bit more consistent. We looked best when doing the team things, talking, shepherding and getting numbers to the contested ball. If we are to progress past the first week of the finals we will need to bring that type of effort across the full four quarters of the game. Looking forward to our first final as a team this week and producing a great team effort. Darren & Ian

**CONGRATULATIONS JADE - 50 GAMES!!!**

## YEAR 6'S

Coach: Paul McGarth  
Assistant Coach: Jeff Mullen  
Manager: Leanne Taylor

On Saturday it was our first game of full rules on the larger oval against Redcliffe. An absolute joy to watch, they handled it really well very proud of the team improving all the time. A special thanks to the year 5s that came up to help out and for the experience, how good is the future of the club well done to all. Coach Lardy.

## YEAR 11'S

Coach: Brad  
Assistant Coach: John Ottoway  
Manager: Karen Thomas

Not the best way to head into finals with a loss but it does keep you honest and level headed. All things need to go right from here on and off the field so it's a real team effort from players to coaches to supporters and parents. Brad, John, Karen and Charles
