GAMES PLAYED

Sat 19 and
Sun 20 August
2017

YEAR 6s

Coach: **Paul McGarth**
Assistant Coach: **Jeff Mullen**
Manager: **Leanne Taylor**

Another great day for football, the weather was very kind to us again. We played Manning a very good size team in height and build, which they made us work for every possession and took it right up to us the last time we met only three weeks ago. Again we dominated the first quarter all around the ground and came into the first break 7 points in front but had majority of the play. I really have not got the answers for losing a quarter, being overrun and out played it was all Manning in the 2nd term. At the main break we were 8 points down. Again the second half was outstanding, the back line was very strong led by Thomas his marking and reading the play around the ground is so good for this age group.

The whole group lifted all over the ground and the year 5's fitted in as if they played all year with us. We ended up winning very comfortably at the end and I was so proud in the way we stuck to our game plan in the second half.

Guys we have one game to go, I would like to see us finish on a high and win as many quarters of the game we can. I understand a few of you are still not right from the flu, as I've said to you all you always remember the last game of the season so let's do what we have to do and manage our bodies and make sure we make the game on Saturday and see out 2017 with a win. A big thank you to the year 5's and all the parents for your support on the boundary who would have enjoyed watching this group playing the game they clearly love. Coach Lardy

Post Season Week 2

02:30 – Year 11 Semi Final 1 BELMONT v's Coolbinia/Mt Hawthorn @ Ellenbrook District Open Space

GOOD LUCK TO ALL INVOLVED GO BOMBERS

YEAR 8'S

Coach: **Darren**
Assistant Coach: **Ian**

Well done to the Year 8's for making the Elimination Final, unfortunately we were beaten by a better team on the day. Kalamunda got the jump on us early in the first quarter kicking with the breeze with some quick goals from centre clearances. We fought back hard towards the end of the quarter and through the second however not much changed on the score board. We came out with renewed spirit and courage after half time and produced one of our best quarters for the season kicking 3 goals into the breeze while keeping Kalamunda to one goal. The wind went out of our sails a bit in the last quarter after having the first shot at goal which missed and then the ball went down the other end for a goal. Really proud of the effort our team put in especially in the third quarter when we could have easily rolled over. It showed great courage and spirit even though we had no one to rotate through the interchange. Great to see how the team improved over the season, well done to all our kids. Darren & Ian

YEAR 7'S

Coach: **Trent McDougall**
Assistant Coach: **Garry Clegg**
Manager: **Andrea Primerano**

By finishing 4th, only one win behind the top 3 teams and with a better percentage than all 3 of them, Belmont year 7s were in the qualifying final.

As expected it was a closely contested and low scoring game, like our earlier encounter this season, with game effected by a strong breeze. Belmont held the lead at the end of the 1st quarter, before training to a 3 point lead by Manning at HT. We gained the lead in 3 quarter by 9 points, however Manning managed, as they did earlier in the season, to snatch the lead with a later goal and win by 4 points.

For the first final played by the team it was a strong team effort by the boys which will put them in good stead for the rest of the finals. We now away to find out who and where we play next week. A big effort is new required on the training track
